## UX/UI designer

Teresa Marcos  
07427 336 711  
contact@teresamarcos.net  
London E5

I graduated in Fine Arts specializing in video and graphic design.

Since 2009 I worked as a freelance designer, developing web projects from scratch, designing for different platforms and devices.

My specialities are UX design, wireframing, interface design, HTML CSS/SASS and I've worked along with other back-end and front-end developers.

I always strive to deliver the best quality and high standard on all my work.
